What has this professor done especially well in teaching this course?

Keeping everyone energized and focused

Provided a wonderfully unique experience that felt professional and well done.

She keeps us motivated and passionate about our work.

What hasn't Professor Cummings done especially well? I couldn't imagine doing what she did and all through zoom this semester. I believe one of her strong suits is that she is exceptionally organized, which was one of the only reasons this production was possible.

How might this professor improve this course and the class interactions?

It was mainly just technical difficulties

Just letting students go when they are not needed.

Honestly, this was an experience of a lifetime. We all needed it and I wouldn't have rather gone through it all with anyone else other than this amazing Director! Every part, even with obstacles and a short time period, was worth it and I am so grateful that we were able to make art under these circumstances! Thank you!
